John Mayer is the biggest flirt in the world.

Carson loves Guinness, hates bars on St. Pat's

Carson Daly avoids public displays of drinking on St. Patrick's Day. "Especially at the bars in New York, people get a little sloppy," the TV host, 35, told us at a rally for Proposition 3-17, which would make St. Patty's a national holiday. That said, the L.A. resident did frequent Irish pubs when he lived in NYC for several years, namely The Parlour on the Upper West Side, Molly's in Gramercy and The Perfect Pint in midtown.

J&J 'faced' with problems

Why did **Jennifer Aniston** and **John Mayer** break up for the second time last week? Perhaps it was written in their faces.

Face reading expert Jean Haner, author of "The Wisdom of Your Face: Change Your Life with Chinese Face Reading," analyzed Jen and John's features and gave us insight about them as a couple.

(JULIE GORDON, JGORDON@AM-NY.COM)

"She's like a bamboo plant that sways in the trees," Haner said of Jen and her carefree **tresses**.

Squinty **eyes** like Jen's represent reluctance to talk about feelings. Meanwhile, John is more open emotionally.

It's not just "Friends" that makes Jen a good pal. Her mouth shape shows how much she treasures relationships with her girlfriends.

Overall, Jen is a giving person whose friends are the most important part of her life. She doesn't care about her own freedom and independence nearly as much as John focuses on his.

John's wavy **hair** shows he has a romantic side and knows how to work women.

"John Mayer is the biggest flirt in the world," said Haner, who gets that notion from the shape of his **eyes**.

The **groove above the lip** represents extreme fertility. Jen has been indecisive about wanting kids.

Overall, John values his independence more than anything, and has a hard time with commitment. A relationship with the singer is doomed if his partner doesn't understand his need for freedom.

Lohan avoids her day in court

An arrest warrant is out for **Lindsay Lohan**, but the actress, 22, isn't expected to head to court today to defend herself.

Lohan

Attorney Shawn Chapman Holley said yesterday that she will appear in court on Lohan's behalf.

The warrant was reportedly issued in connection with a 2007 drunken driving arrest.

According to reports, Lohan was hiding out this weekend at girlfriend **Samantha Ronson's** Beachwood Canyon, Calif., house, and their noisy fighting (which resulted in a broken window) caused a police response.
