List 20 things that might make you "shady" by some people's standards.
Name this note: "Maybe I am "shady" after all."

1. Sometimes i steal fries off people's plates before i give them their food at bob's.
2. i have beach tags, i swear, but i never bring them to the beach. ever. no matter how many times the beach tag girls bug me.
3. if people are driving too slow in the left lane, i just tailgate them until they move over. which they usually do, because my car is probably bigger than theirs.
4. i love socks.
5. i always wear socks to bed. even in the summer.
6. sometimes in the winter, i wear three pairs of socks at one time.
7. im really nosy and i ask a lot of questions. pain in the ass or budding journalist? your call.
8. i hate bananas.
9. i always love the bartender. always.
10. i approach random people in bars.
11. i facebook stalk hardcore whenever im really bored. like look through all 200 of someone's pics who i've never met.
